## **Liners (Contract #: GS-02F-0167V)**

## **Paper and Soaps (Contract #: GS-02F-0013W)**

**Benefits to the Government:** Pro-Link provides a total cleaning solution

with effective high quality products. Work with Pro-Link for:

A comprehensive green cleaning program

Compliance with buy green polices

Professional support and training

National availability with local support

Ease of ordering; fixed price contract holder

Over 25 years of experience

**Environmental Benefits:** Effective and cost competitive, sustainable solutions that safeguard human health and protect the environment while keeping your facility clean. Statistically, a 'greener' building can improve occupant health, productivity, morale and reduce tenant turnover and insurance costs. Many products are extremely safe to use and incorporate recycled materials and/or biobased content, are USDA BioPreferred, are non-toxic, use less packaging, reduce or eliminating VOCs, landfill waste and transportation costs. We are focused on the health of your staff, occupants and the environment as well as your bottom line.
